**STATEMENT A:**

The undersigned "Copyright Owner," desiring to distribute a Work including all expressions thereof, in printed, audio, video, electronic, and other media/forms (collectively, the "Work") and/or to otherwise make available the Work, hereby grants to ION the following rights in exchange for good and valuable consideration, the sufficiency of which is hereby acknowledged and agreed to by the Copyright Owner:

- 1.) The exclusive, royalty-free right of performance, and display in any media (including but not limited to any audio/video recording).
- 2.) Royalty-free right of publication and distribution of the Work (and any recording thereof made available by the undersigned) directly or indirectly by ION and through any medium or platform throughout the world.
- 3.) A non-exclusive, perpetual, irrevocable, royalty-free, worldwide right and license to reprint, display, perform, or reproduce and/or provide in print, audio/video, or electronic format the above Work in any media (including audio/video recording(s)), in completed form, or in excerpt or summary, for free or in exchange for a fee.

Without limiting the generality of the foregoing, the Copyright Owner further authorizes ION to make non-substantive edits of the Work solely for publication/distribution purposes and to publish the Copyright Owner's name, photograph and biographical information (as provided by the Copyright Owner) in connection with ION's use and promotion of the Work, and ION agrees to recognize the author as the creator of the Work.

Copyright Owner reserves all rights not specifically granted to ION herein and has the right after the Work has been published, to reprint the Work in any publication, provided that the terms of such republication do not conflict with the grants herein or any other copyright agreement(s). Copyright Owner agrees to include the proper credit to ION for prior presentation of the Work in any reprint of the Work in a publication, including date (month and year) and location (city and state) of the meeting at which the Work was presented.

Copyright Owner represents and warrants that the Work (and any recording thereof made available by the undersigned) is original with him/her, that its publication, display, or performance (including, of any recording thereof made available by the undersigned) will not infringe, misappropriate, or violate the rights of others; that the Work (and any recording thereof made available by the undersigned) is factually accurate and contains no defamatory or otherwise unlawful material; that the Copyright Owner has not previously in any manner disposed of any of the rights herein granted to ION nor previously granted any rights adverse thereto or inconsistent therewith; that there are no rights outstanding which would diminish, encumber or impair the full enjoyment or exercise of the rights herein granted to ION; and that Copyright Owner has full power to make this agreement and the grants herein. Copyright Owner further represents and warrants that the Work (and any recording thereof made available by the undersigned) has not been published or distributed elsewhere in whole or in part (except as appropriately cited or as set out in a rider attached thereto if applicable) and that no agreement to publish or distribute the Work or any part or version thereof (including any recording thereof made available by the undersigned) is outstanding or will be made in violation of the foregoing. Should the Work (or any recording thereof made available by the undersigned) contain any material which requires permission for inclusion in the Work or use by ION, Copyright Owner agrees to obtain such permission in writing and provide a copy of such permission to ION.

The Copyright Owner agrees to indemnify and hold harmless ION, its officers, directors, employees, and agents, from and against any and all claims, actions, losses, demands, costs, attorneys' fees and all other expenses relating or incidental to, or arising directly or indirectly from, the inaccuracy or breach of any of the aforementioned warranties and representations.

**STATEMENT B:**

**U.S. GOVERNMENT EMPLOYEE CERTIFICATION AND TRANSFER OF INTERNATIONAL COPYRIGHT**

This will certify that all authors of the Work are U.S. Government employees and prepared the Work on a subject within the scope of their official duties. As such, the Work is not subject to U.S. copyright protection. The undersigned herewith acknowledges that the ION is granted an irrevocable, non-exclusive, royalty-free, non-assignable, worldwide license to make available the Work in any media, whether now known or hereinafter created for any lawful purposes.

**CROWN:**

This will certify that all authors of the Work are employees of the British or a British Commonwealth Government and prepared the Work in connection with their official duties. As such, the Work is subject to Crown Copyright and is not assigned to the ION. However, the undersigned herewith acknowledges that the ION is granted an irrevocable, non-exclusive, royalty-free, non-assignable, worldwide license to adapt, reproduce, print, publish, make derivative works, and make available the Work in any media, whether now known or hereinafter created, including, but not limited to, print, digital, and electronic formats for any lawful purposes. This license shall not modify the ownership of the intellectual property rights contained within the Work (including but not limited to patent, trademark rights and copyright) which shall rest with the British Crown Government.

**EU:**

This will certify that all authors of the Work are employees of the European Union and prepared the Work in connection with their official duties. As such, the copyright in the Work may be vested in the European Union and, insofar as it is vested in the European Union, is not assigned to the ION. However, the undersigned herewith acknowledges that (to the extent that the rights in the copyright are not assigned to it under this Copyright and Consent Form) the ION is granted a personal, royalty-free, non-assignable, worldwide, license to adapt, reproduce, print, publish, and make available the Work on any media, for any purpose, including commercial purposes, on terms that all intellectual property rights therein - including but not limited to patent, trademark rights and copyright-rest with the European Union.
